Cybrary
Pre-Approved for CompTIA CEUs

You can earn 1 CEU for each hour of training. Follow these requirements to earn and receive CEUs.

All training durations less than 1 hour are not approved for CEUs.

Timing: You must complete the training course during your three-year renewal cycle, and the same course can only be submitted once.

Relevance: At least 50 percent of the training course content must relate to one or more of the exam objectives for the certification you're renewing.

Documentation: Submit the following documentation to receive CEUs for a training course:

1. Detailed description/outline of the training content
2. Completion certificate containing the following:
   - Your name
   - Name of the course
   - Name of the training provider
   - Date the course was completed
   - Number of hours

Training approved in this document is based on the exam objectives:

- A+ 220-1001 and 220-1001
- Network+ N10-007
- Security+ SY0-601
- Linux+ - XK0-004
- Cloud+ CV0-002
- PenTest+ PT0-001
- CySA+ CS0-002
- CASP+ CAS-003

Note: Approved training courses in this document are subject to change without prior notification. Training submitted based on prior approval will remain valid.

Pre-Approved for CompTIA CEUs
All training durations less than 1 hour are not valid for CEUs.
